Unfinished and New Business

Firearm class-

Travis presents draft flier. Open floor for feedback. Very wordy. Revisited session length and blocks discussed in January meeting. Reiterated that you must attend both. URL proposed for “classes”. Plan to advertise using fliers and word of mouth; trying to garner interest and traffic in website. No cash. Discussed age requirements. Josh thinks 18 and older to avoid potential issues with liability. Consensus reached for 18 up. Developed and discussed FAQs. Adding wait list given small class size. Must iterate that you can’t bring loaded weapons. Looking at dates in May/June.

Tack Sale-

Discussed need to pay 20 for table. Need table banner for this and future events. Need volunteers to man booth. Josh, James, and Travis volunteer.

Endorsements-

Travis showed resolutions and endorsements section on website. Talked about Julie running for city council. No vetting process in place. Consensus reached that we don’t need a process.

Donations-

Visited in Kris’ report. Can start asking for donations now.

School Board/Next Elections

Emailed school board. Jeremy Lanthorn called Travis about email. Had long discussion and answered questions in letter. Very focused on trans-inclusionary and CRT topics and how they are presented in school. Scott Susi and Jeremy Lanthorn responded about Transgender guidance from State. Need to run a candidate by mid-March. Candidate discussions. Jesse and James to run for positions 1 and 5 respectively, currently held and being run for by Jeremy Lanthorn and Paul Bish. James needs to double check that he can hold both city council and school board positions simultaneously. James and Jesse will file and vote to be held next meeting on endorsements. Carol VonBorstel talked about FOIA requests regarding COVID/ESSER contracts/signatures regarding school board members.
